# WIKING '75

*Those were such happy times  
And not so long ago  
How I wondered where they'd gone  
But they're back again  
Just like a long lost friend  
All the songs I loved so well.*

**MARYSVILLE HIGH SCHOOL**  
**MARYSVILLE, MICHIGAN**

# We dedicate the 1975 Viking

To Mrs. Shirley Bellow for her dedication as  
yearbook advisor for nine years.

What is friendship? It is many things —  
It is feeling completely natural with  
another, shedding all pretense and all  
shame, just being yourself.

It is sharing with another both big and  
little things, joy and sorrow, laughter  
and tears.

It is counting on another to understand  
your moods, to put up with your  
failings, to be there when needed  
most with a word of encouragement,  
a smile, a look.

How do we know what friendship is?  
We know because you are our friend,  
and you are ALL these things.

When I was young  
I'd listen to the radio  
Waitin' for my favorite song  
When they played I'd sing along  
It made me smile.

# ***We May Never Pass This Way Again***

## *Flowers*

Red & White Roses

Life — so they say  
Is but a game and they let it slip away  
Love — like the autumn sun  
Should be dying, but it's only just begun  
Like the twilight in the road up ahead  
They don't see just where we're goin'  
And all the secrets of the universe  
whisper in our ears  
And all the years will come and go  
And take us up, always up

We may never pass this way again  
Dreams — so they say  
Are for fools and they let them drift away  
Peace — like the silent dove  
Should be flyin' but it's only just begun  
Like Columbus in the olden days  
We must gather all our courage  
Sail our ships out on the open sea  
Cast away our fears, and all the years  
Will come and go  
And take us up, only up  
We may never pass this way again

## *Motto*

As we begin, so we also have ended  
Let us look to our future with hope  
And let us not forget our past  
But instead use it as our teacher.

## *Colors*

Royal Blue & Silver

Sandy MacArthur, Tom Malone, and Melodie Garverick posed by the "Viking" snowman they made October 20.

Casie Boerre was crowned queen during half-time festivities of homecoming '74.

Cindy Nordstrom devoted much time to the skirts of the senior float.

For the second consecutive year, the Class of 1975 took first place in float competition for homecoming.

George Askar posed a minute for our camera as he set up his own for another senior picture.

Mr. Mason of the Terryberry Co. helped Patricia McHenry and Chris Albert order announcements. The class changed tradition and ordered royal blue and silver announcements.

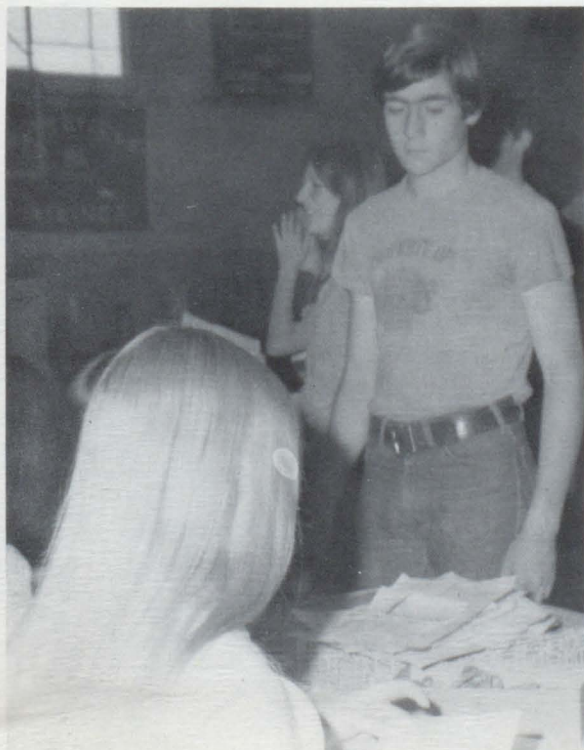

Bob Troy was honored at the Senior Pep Assembly as a senior golf member.

Mr. Stephens presented Nancy DeNardin with a basketball trophy during the fall sports banquet.

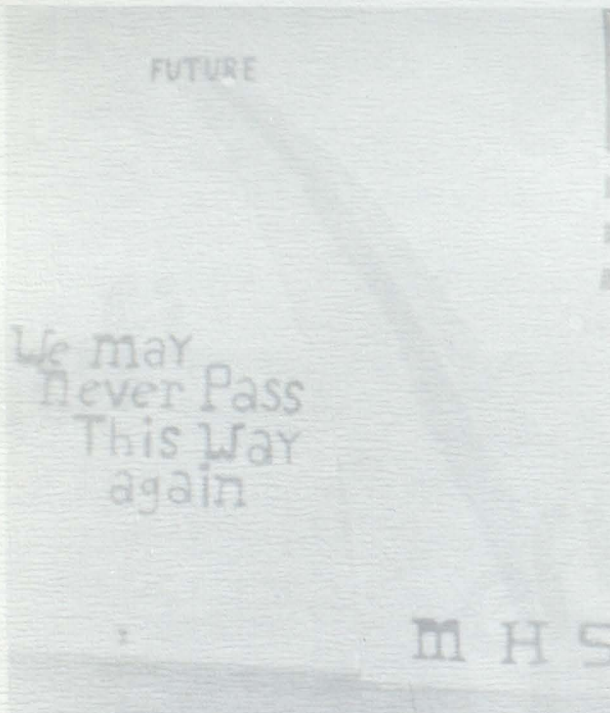

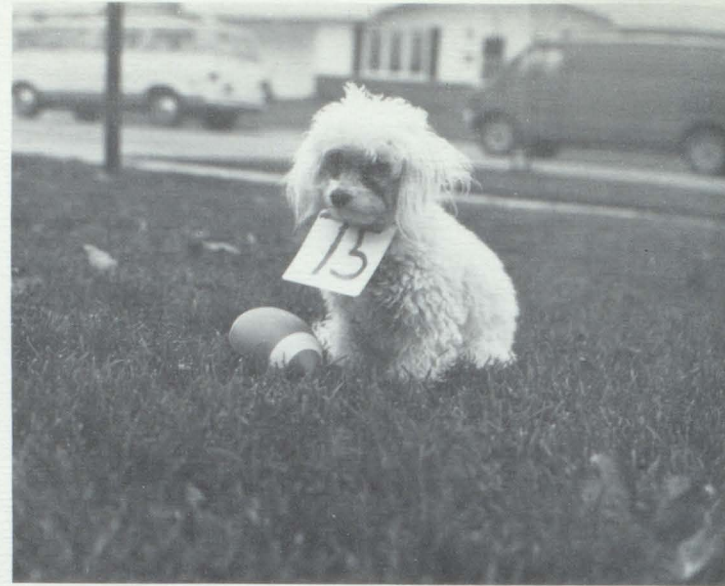

Miss Vivian, senior class co-ordinator, measured Eric Anderson's head for senior cap. (above). JoAnn Schultz stood straight for gown measurement as class president, Don Breckner, wrote the order.

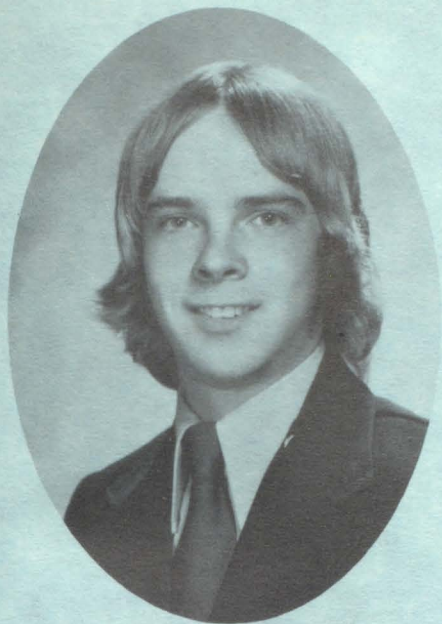

Last time seniors registered took place January 10. Robin Peters looked relieved as he got the classes he wanted.

We've only just begun,  
Before the rising sun  
We fly.  
So many roads to choose,  
We start out walking  
and learn to run.  
And when Evening comes  
We smile.  
So much of Life ahead  
We'll find a place  
Where there's room to grow.  
Yes, we've just begun ...

After coming from a 29-0 opening season loss to Class A Lapeer, the Vikings coasted to 8 straight wins and an SCAL Championship. The Vikes' first home game was a success as they beat Port Huron Central 21-0. A week later Algonac was the scene for a rainy, mud-filled night in which Marysville emerged the winner 22-19. Another shutout was posted on the following Friday night. They defeated Marine City 13-0 at Viking Stadium. Marysville reached their peak in a 25-22 double overtime victory over second-place Chippewa Valley. Jamie Kitts' memorable field goal ended the game. After this nerve-racking win, the Vikings

settled down to beat Cros-Lex 27-8 at Cros-Lex. However, again the Vikings had to "get up" for their homecoming game against St. Clair. The great rivalry ended with Marysville having a sweet homecoming triumph 21-7. The Vikes must have still been up as they walloped Anchor Bay 41-7. The season came to a close with the Vikings upsetting Romeo, 16-15.

Marysville received many honors besides the SCAL Crown. They were rated Number One in the TIMES HERALD area poll. They also were honored with 13th place on the All-State Class B poll.

Any Marysville Varsity Basketball Player for the 74-75 season should be proud to be one. Although they started with a 1-3 record, Coach Jackson built up

their confidence and belief in themselves. They then went on to win the next ten league games or a total of eleven out of twelve season

games.

This year they won 11 and lost 3 league games, and overall they won 16 games and lost only 4.

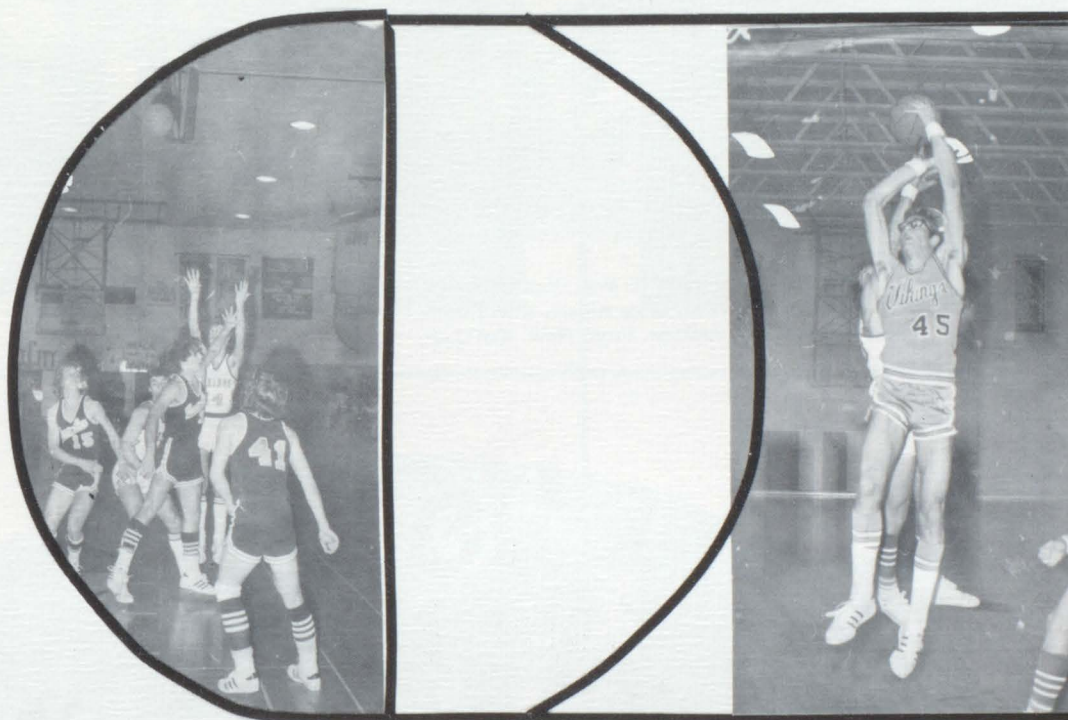

Their improvement was shown by the fact that they lost to Algonac, Chippewa Valley and Marine City earlier in the season, but then came back to beat all three of them with at least a

four-point margin.

They were rated No. 2 in the Blue Water Area Poll with Marine City holding the No. 1 spot.

In the District, they drew a bye and then they went on to play Port

Huron Central. They beat the Cougars 51-42. The next game was with Marine City. They continued their mighty drive of power by beating the Mariners the second time. The final score was 53-51.

The film strips are arranged in a grid-like pattern, showing different moments from school events. Some strips show students in costumes, others show students in a gymnasium, and some show students in a classroom. The film strips are labeled with "KODAK SAFETY FILM" and "KODAK TRI-X PAN FILM". The overall theme is school activities.

# Homecoming 1974 —

The first homecoming for the Class of '78 showed great things can be expected from them in the future. Their float "We're the Real Thing" held fourth place in the float competition and showed great imagination. The Freshmen spent many long hours working on the construction of their float at the home of Paul and Stevy Booth.

The Freshmen again showed their potential for the future when they elected Darcy Warner to be their representative to the queen's court. When Darcy walked onto the football field, escorted by Sophomore Tim Westbrook, everyone knew the first homecoming of the Class of '78 was truly a success.

The Class of '77 moved up the ladder of success with a third place float entitled "The Victory Shell Come Tor-toise." The Sophomores constructed their work of art at the home of Mark and Marchel Feick.

The Sophomores showed the pride and enthusiasm they have for their class when they elected Mary Ann Albert to represent them on the queen's court. Mary Ann was escorted by Pat Miller.

# The Show Must GO ON!

The Juniors pulled themselves together with a second-place winning float built at the home of Dan Lents. The theme of the float was "We'll Mush 'Em Till They Croak."

The Juniors were proud of their choice of homecoming representative when they saw MaryAnn Vanlerberghe out on the field homecoming night.

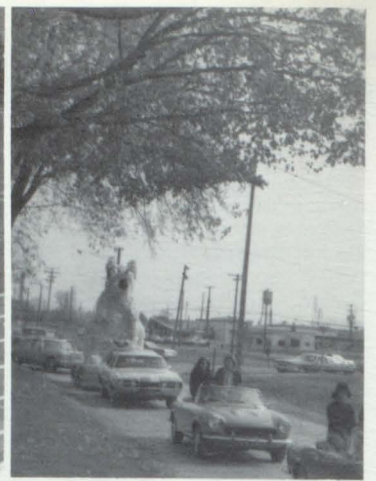

"Pocket a Victory" is just what the Seniors did with their float of the same name. In first place, the Seniors won the float building competition and made the Seniors' last

homecoming a memorable one. To make the homecoming as lovely and exciting as it could be, the Class of '75 chose three girls for queen candidates who were all equally lovely. The

charm and personality of Casie Boerre, Sue Burns, and Brenda Churchill made election of a queen a very difficult decision for the entire school.

Standing: Tim Westbrook, Pat Miller, Mark Hern, Tom Malone, Joe Lasher, Dave Perry. Seated: Darcy Warner, Mary Ann Albert, Brenda Churchill, Queen Casie Boerre, Sue Burns, MaryAnn Vanlerberghe.

Music In Our School Day (MIOSD) was a national music observance day, March 13. Concert band, along with the whole music department, presented half-hour shows, explaining what went on in their music field.

The spring concert provided music April 18 from the High School and Intermediate School Bands.

April 30 the band traveled to Algonac for the Blue Water Band Festival. The band was privileged to play "Intravention" under the instruction of the composer, Dr. Thomas Tyra, Eastern Michigan University.

## ***The Entertainers***

## ***Fantastic Rhythm***

A new addition to the music department was the Stage Band. The band was organized during the summer, meeting with Director Charles Salvo once a week.

In September the band met on Fridays and later on Tuesdays, also. The premier of the young group was the Christmas Concert, December 18. The band was well received and played an encore.

January 28, the group "played for their supper" at the Area Boards of Education dinner-meeting.

National Honor Society Tea, February 19, was entertained with the performers. The band also participated in the "Music In Our School Day" March 13.

Spring concert, April 18, also saw the stage band perform.

Stage Band member Don Czarnecki played the trap drums.

# Every Picture

The Viking Staff did not wait until September to begin work on this year's publication. They began to work on the last day of the '74 school year by staging the first of many paper collections. The Staff, headed by Editor Patricia McHenry, worked on the paper drive throughout the summer and until March of the '75 school

year. Besides the paper drive, the Viking Staff sponsored many other money-making projects. They sold pictures and posters during the noon hours and went to many different businesses selling advertising space in the yearbook. All proceeds from various projects went to providing a bigger and better yearbook for the students.

# Tells A Story

Taking a blank piece of paper and making it tell an entire story may seem like quite a job, but that's just what the VIKING staff has done. They began by deciding on the theme "Yesterday Once More." Then they

started taking pictures, writing copy, and drawing up pages which certainly do tell a story.

Most of the pictures used in '75 VIKING were taken, developed, and printed by staff members.

The doors to Fame and Fortune

Cast members of "More Than Meets The Eye" Patricia McHenry - Christine Nichols; Tom Malone - Carl Henderson; Bob Troy - Bradley; Penny Neal - Miss Jenkins; Denise Partridge - Prudence Harper; Chris Albert - Lawton Ellerbe; Cindy Nordstrom - Peggy; Ron Wiltse - Stanley Nichols; Don Breckner - Cyril B. Hoskins; Suanne Heaman - Maude; Karen Maples - Nora; director Mr. S.R. MacDonald.

The play, MORE THAN MEETS THE EYE, was performed for the student body May 10 at 1:00 p.m. The evening performance was well attended by the public.

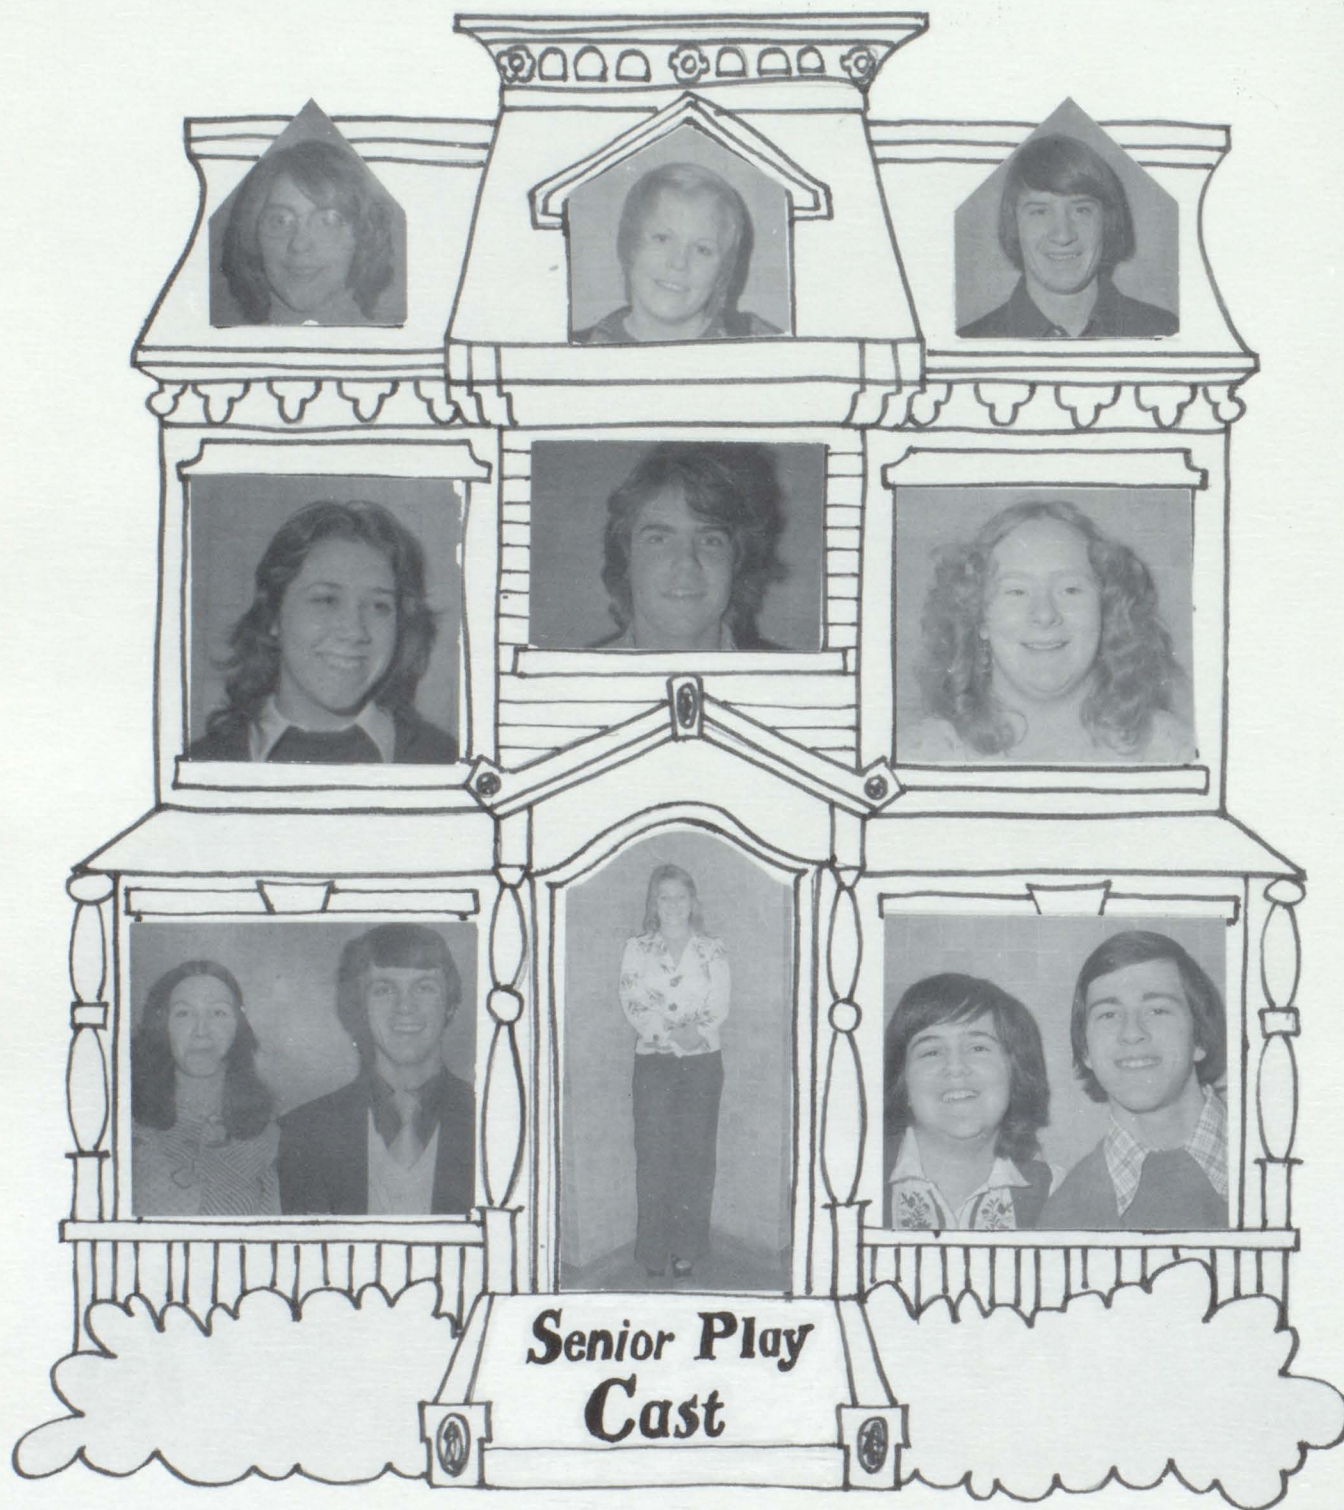

The play opened up with Stanley Nichols, a young author, taking a year off to write "the great American Novel." Unknown to anyone except his immediate family is the fact that Stanley has written a series of children's stories under the pen name of "Grandma Letty." When he is voted "Grandmother of the Year," reporters, newsreel photographers, and the publisher descend on the quiet Nichols household to meet and interview Grandma. Afraid that, if he is exposed as a juvenile writer, it will hurt his chances for his new novel, Stanley has to produce a Grandma. After all else fails, he impersonates the great lady. Matters get more complicated when the publisher proposes, the reporters suspect a scoop and won't leave, and his wife demands he tell the truth or she will leave him. The truth came forth when Stanley ends up revealing he really was Grandma Letty.

Before the doors were opened to dozens of dazzling couples at 8:00 p.m., January 24, many hours were spent on the planning and coordination of the Junior Prom under the watchful eye of Mr. Venia, Junior Class Advisor.

Different committees were formed to handle all aspects of the prom, such as music, decorations, refreshments, and advertisement. The industriousness of the Junior Class was evident the night of the prom when every detail perfectly accented the theme "Moonlight and Roses."

The prom was well attended and proved to be quite an evening for all who entered the festive atmosphere and danced to the music of Jax Klush.

Eric Anderson had the opportunity to visit Hering, Denmark. He was the guest of Mr. & Mrs. Anto Jorgesen.

During his stay Eric enjoyed activities like bike riding, fishing, and hunting.

Eric also stayed in Germany for two weeks.

Marysville's foreign exchange student for 1974-75 was Jukka Uramo, from Vantaes, Finland. While attending school at Marysville, Jukka has stayed with Joe Schulte and his family. Jukka can speak English very well, having studied it for 6 years. However, American slang confuses him.

Jukka delighted in watching television, playing football, skiing, and eating lots of hamburgers and hot dogs.

Jukka said he enjoyed his visit to America very much.

## Youth For Understanding

The 1974 Youth for Understanding Scholarship winner was Karin Spencer. The first 24 days Karin stayed in Greece, where she studied their way of life and went sight-seeing. The last three days of her visit Karin had the opportunity to stay in Switzerland. Maybe some day she will go back and stay longer, but for now Karin said that all students should try for the scholarship because it is not every day a student has the chance to visit a foreign country.

# “SLIGHTLY REVISED” SCHOOL SONG

MARYSVILLE CLASS OF ‘75

I’m wishing life’s best

in all you strive

Let us reminisce the days

We spent together here

in high school

As we go our separate way

Let’s always keep our “VIKING PRIDE”

Just like a treasure deep inside

It will help to see us through In everything  
we do MARYSVILLE HIGH, GOOD-BYE!
